WHAT IS PHOTO EDITING?

Photo editing is the art of enhancing an image to make it look more Beautiful ,Before what you saw with your eyes.

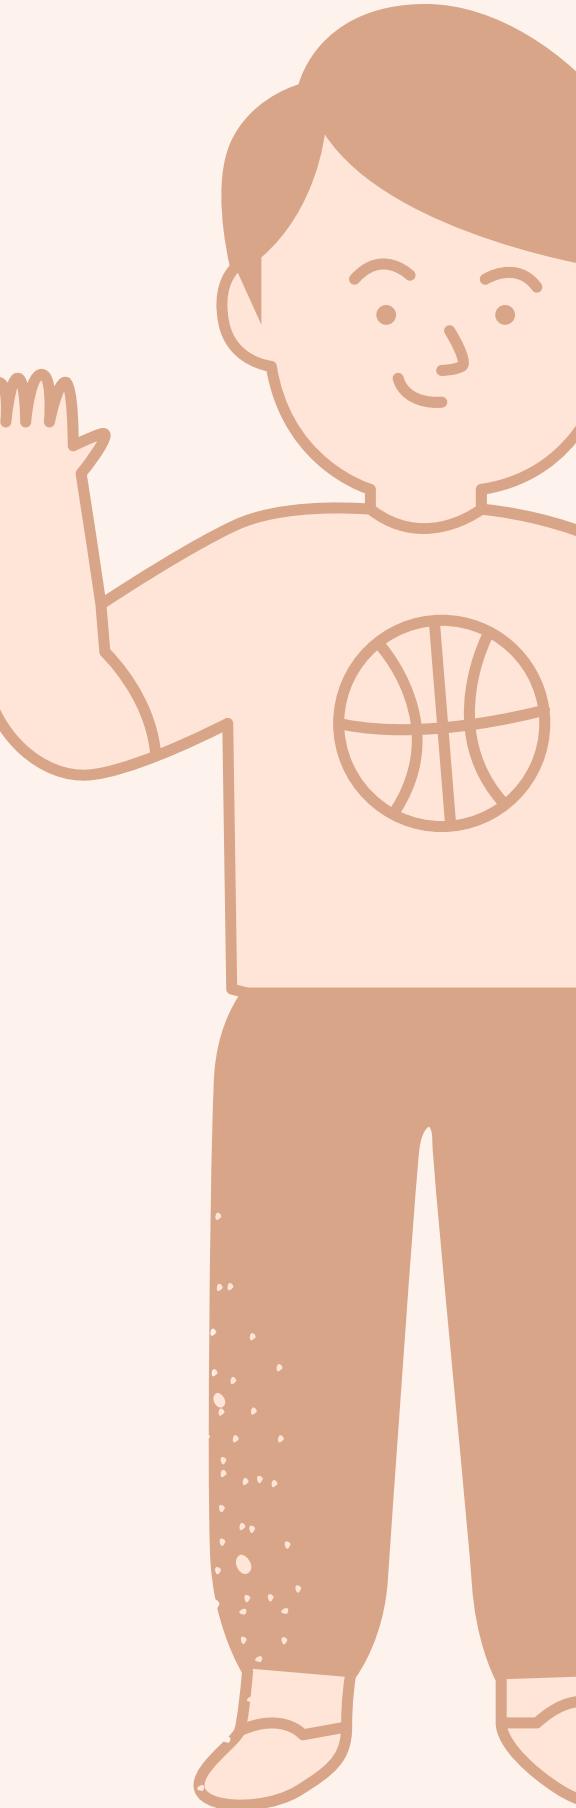

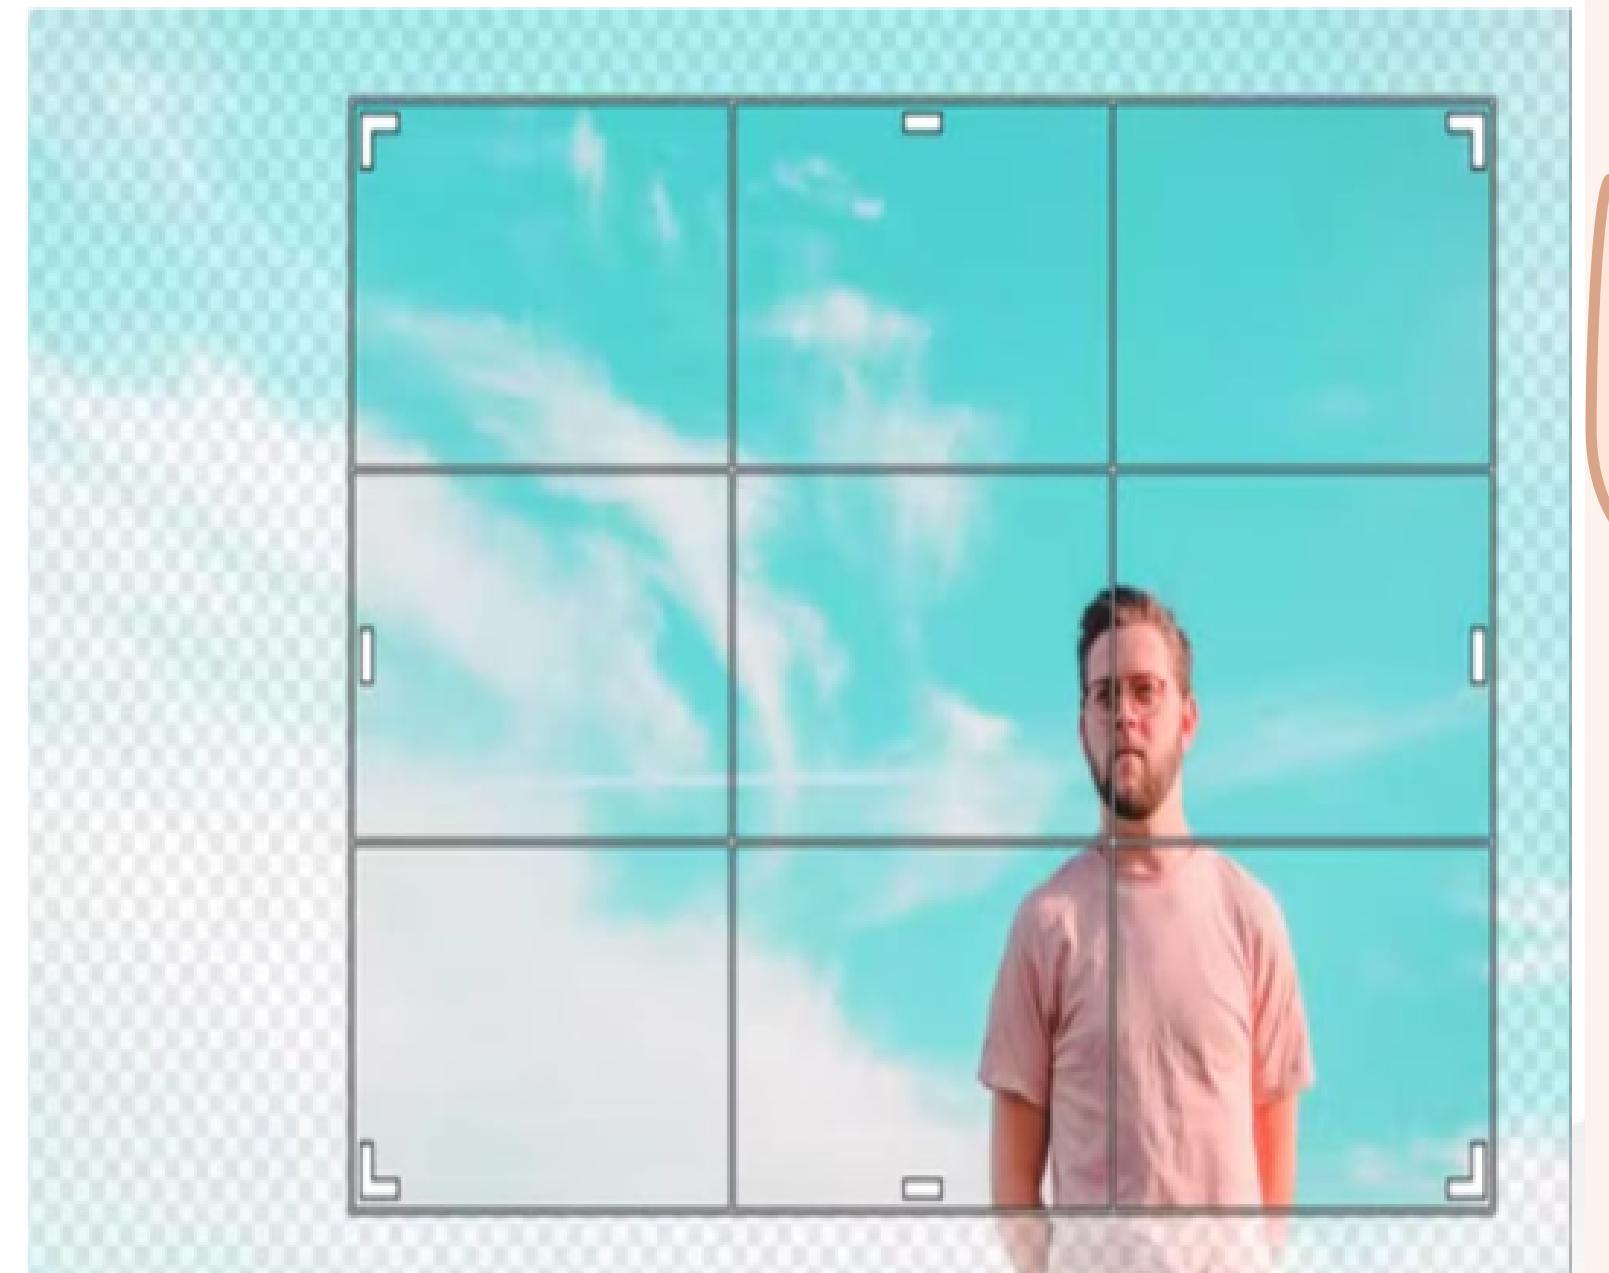

Planning of FEATURES Required for PHOTO EDITING.

- Crop photos
- Photo Enhancer
- Resize photos
- Background remover
- Add text to image
- Collage maker
- Removing objects

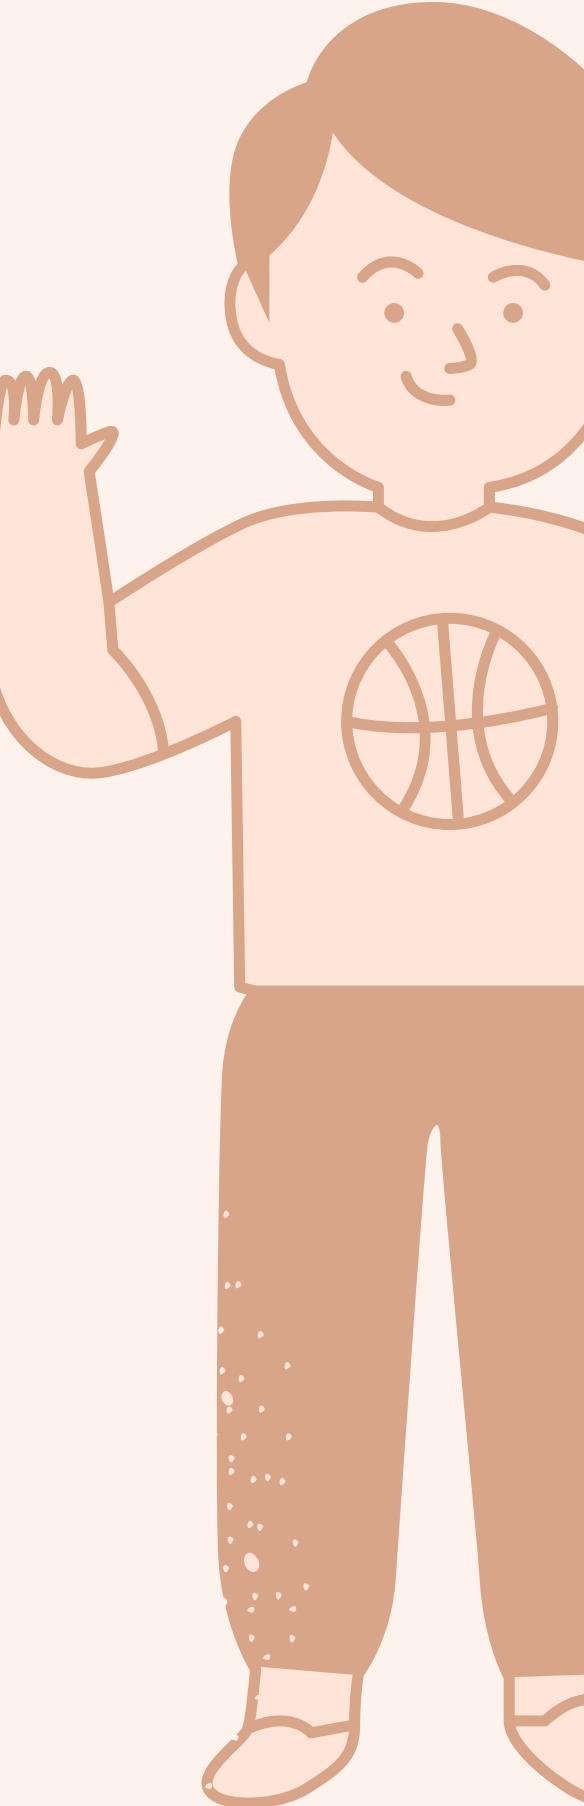

□ Crop photos :
cropping images is
the first and most
important step in
photoediting.

□ Photo Enhancer :

when it comes to photo editing tools you want an effortless experience. Our photo enhancer is just that it will enhance and contrast in a single click.

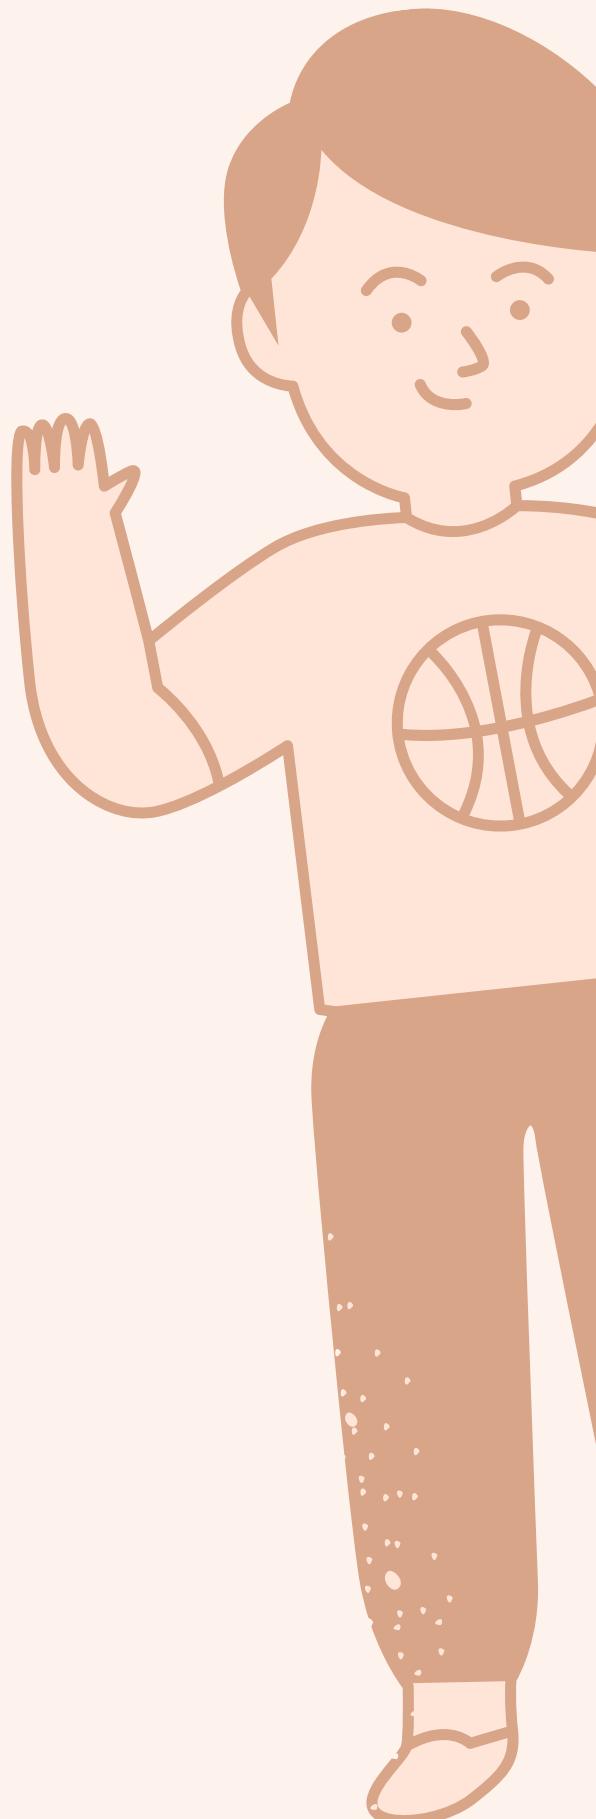

□ **Resize photos:**
you can easily
resize images with
pixel perfect
accuracy. we even
have presets for
some of the most
common sizing
requirements for
social media.

□ Background remover:

Easily remove image backgrounds and put the focus on your subject.

- Add text to image:
our photo editor is
packed with fonts
and customization
options to add text
to photos

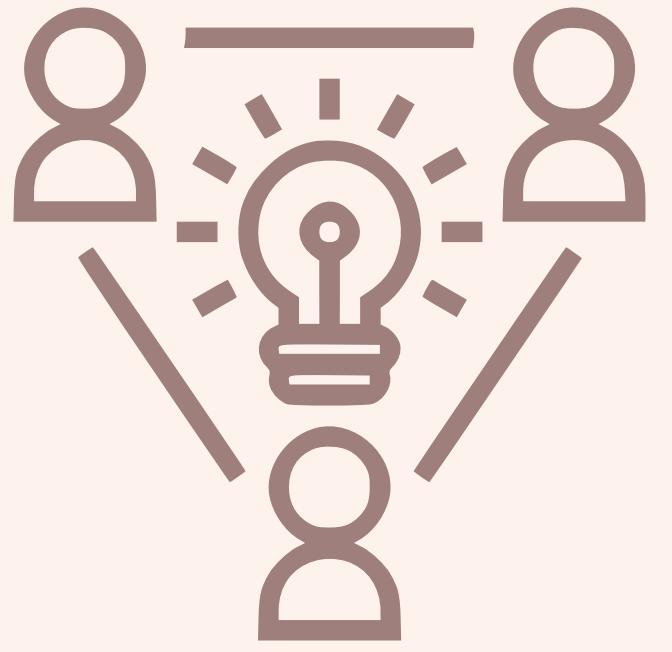

- **Collage maker:**
we can create a
single picture from
a group of pictures.

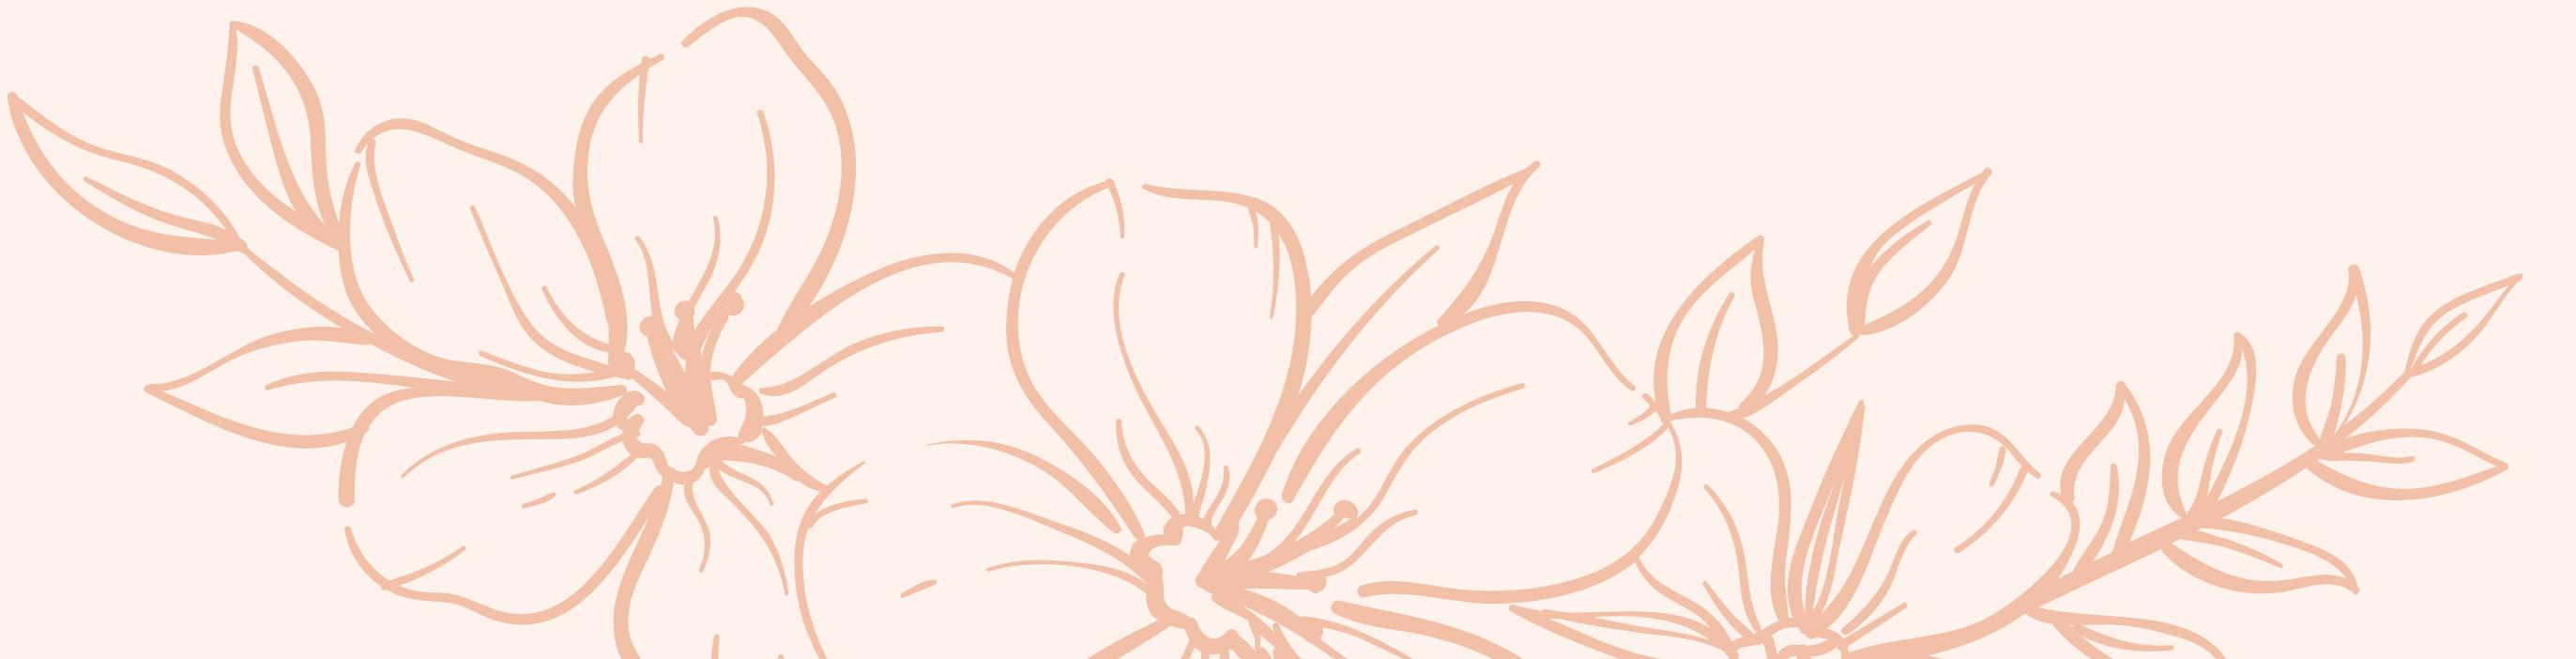

- **Removing objects:**
Easy to remove unwanted objects from photos with photoeditor.

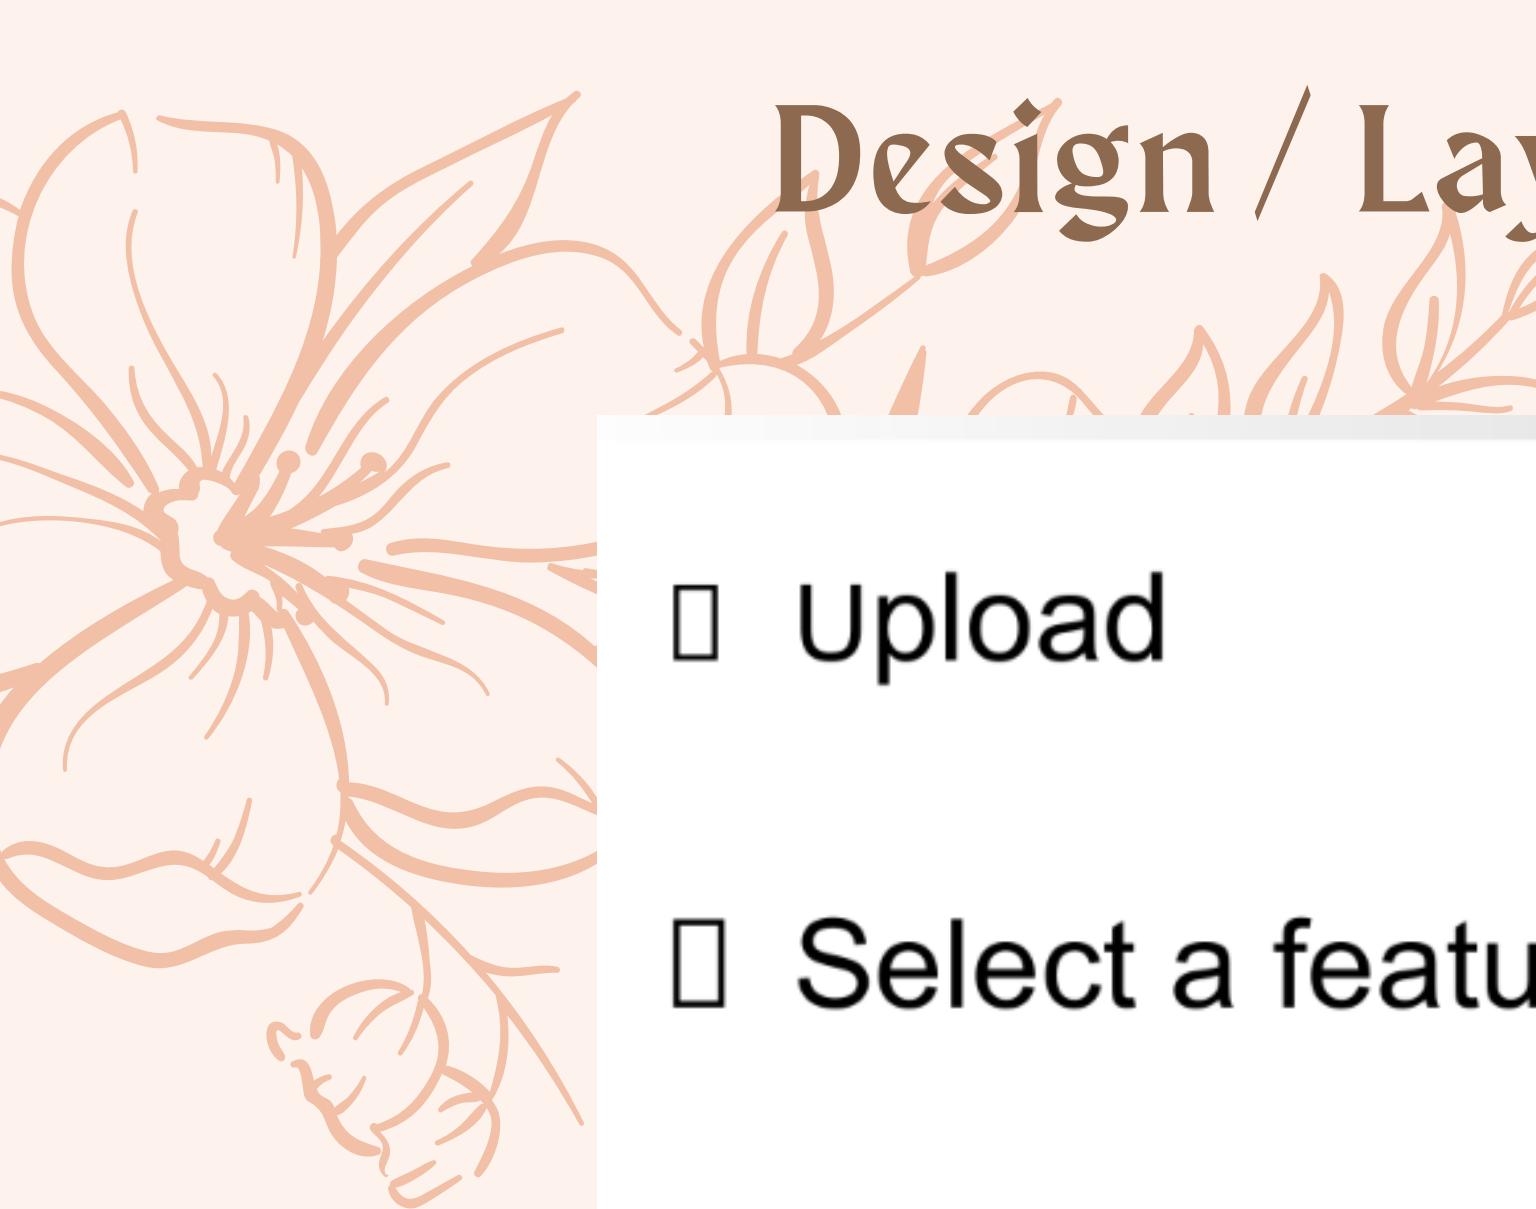

Requirements

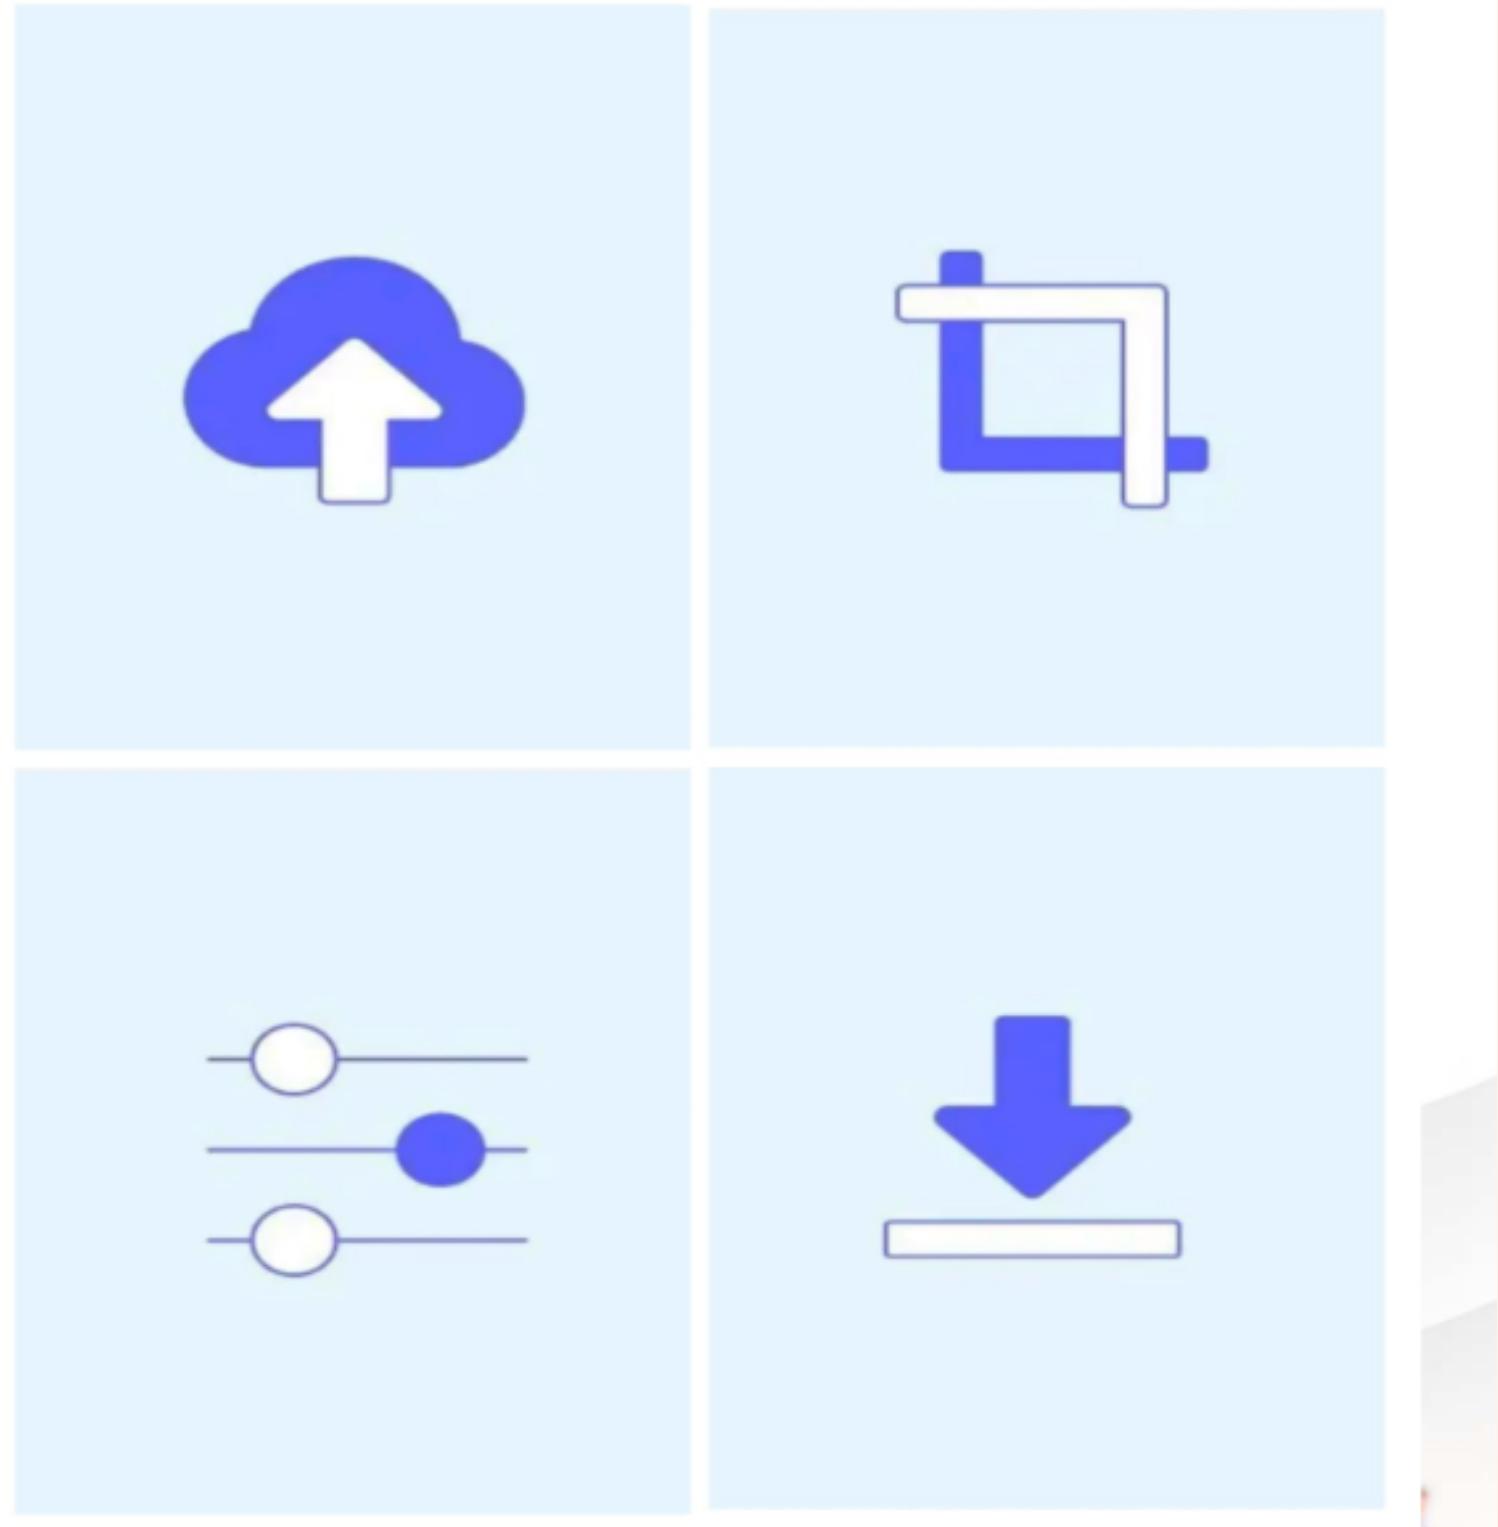

- HTML
- CSS
- JAVA SCRI~~T~~ ...

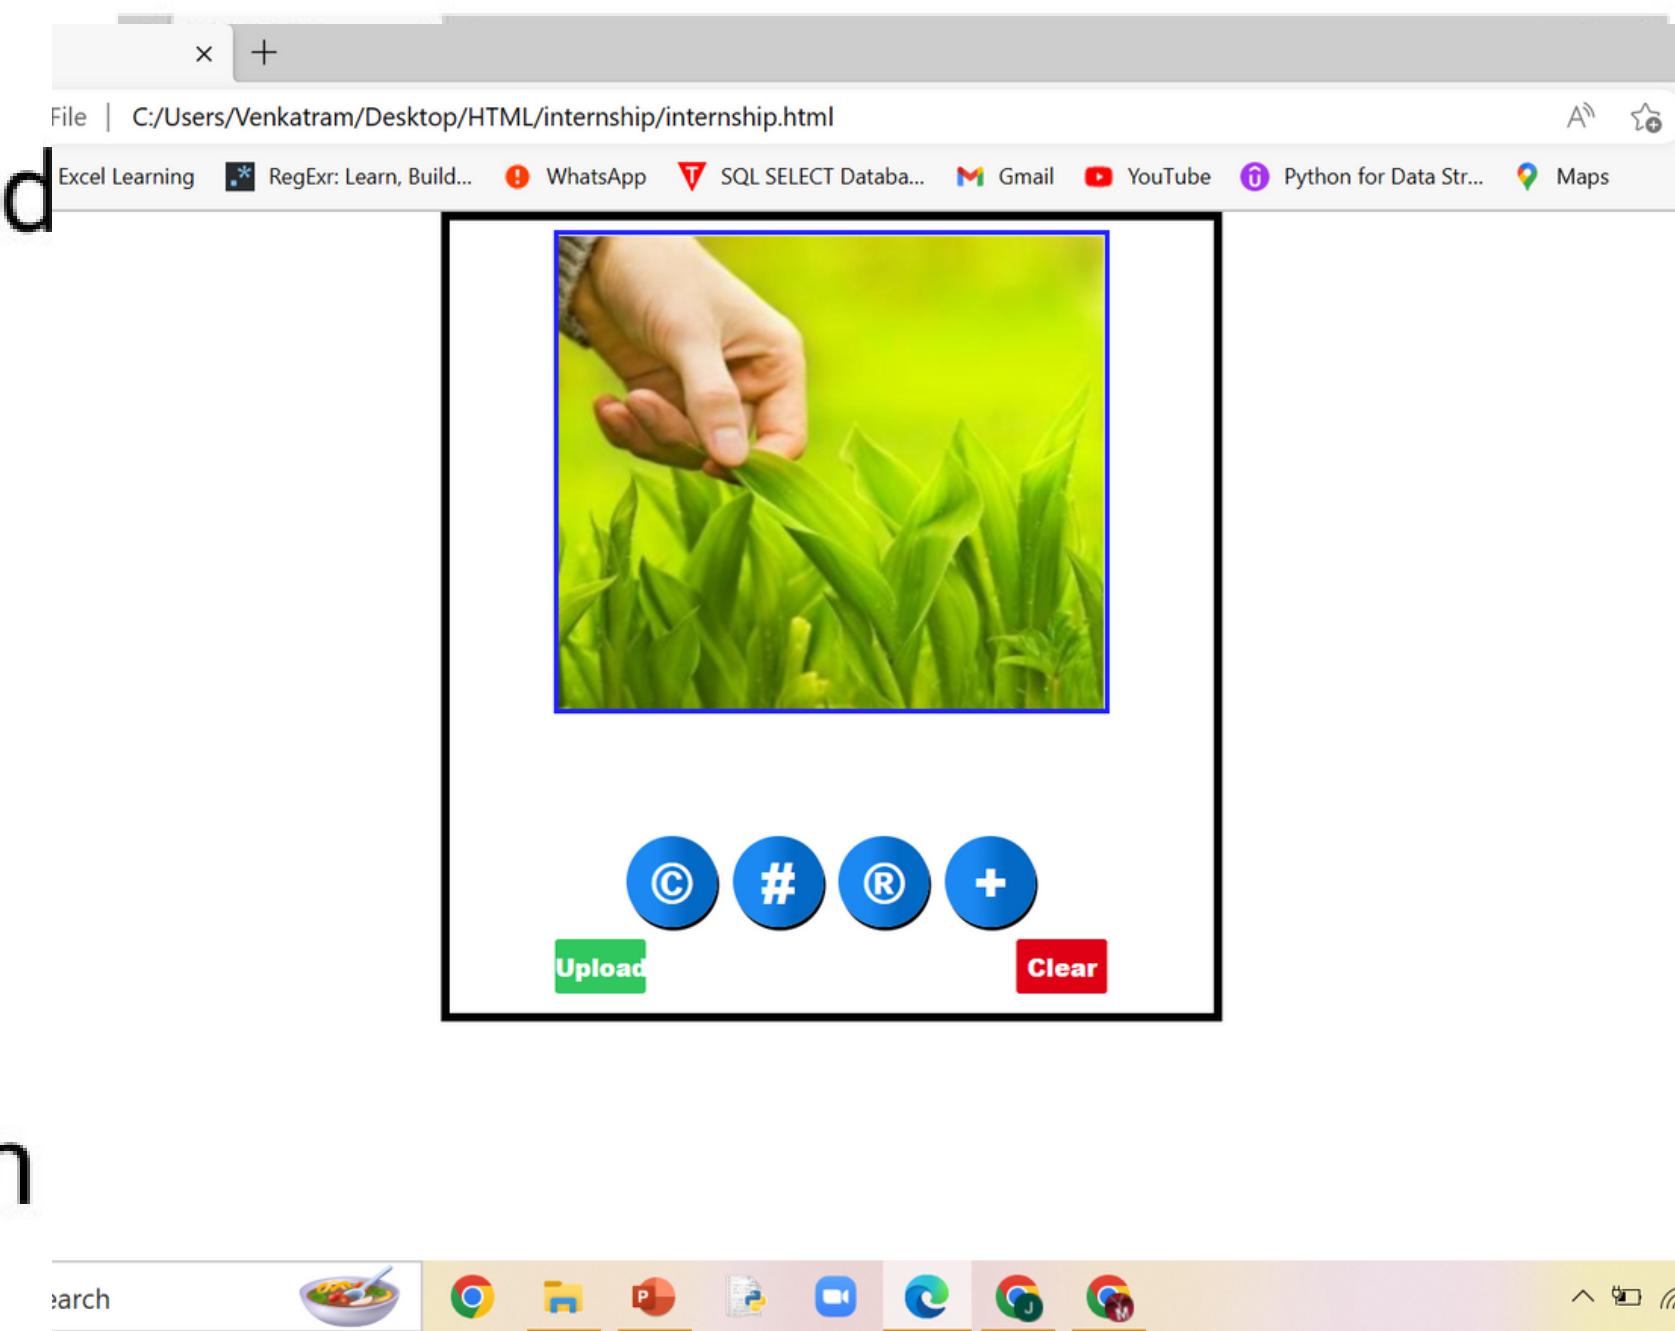

Design / Layout of Photo Editing Website

- Upload
- Select a feature
- Adjust and preview
- Download

DEVELOPMENT OF PHOTO EDITOR WEB APP:

- We had developed a small photo editing web app by using html,css and javascript by adding some of those features mentioned in above slides.
- In this image editor we can edit images easily
- The output can be shown beside.

A screenshot of a Microsoft Edge browser window showing a photo editing interface. The main content area displays a photograph of a hand reaching towards green leaves, framed by a blue border. Below the image are several control buttons:

- Black buttons: "Invert", "W/B", "W/B+", "Dirty".
- Red button: "C" (copyright symbol).
- Blue button: "#" (hash symbol).
- Blue button: "R" (registered trademark symbol).
- Blue button: "+" (addition symbol).
- Green button: "Upload".
- Red button: "Clear".

The browser's address bar shows the URL "C:/Users/Venkaram/Desktop/HTML/internship/internship.html". The taskbar at the bottom includes icons for File Explorer, Microsoft Word, Microsoft Excel, Microsoft PowerPoint, Microsoft Python, Microsoft Edge, Microsoft Internet Explorer, and Microsoft Edge Dev.

A screenshot of a Microsoft Edge browser window showing a Bing image search results page for "pic". The main content area displays a photograph of a hand reaching towards green leaves, overlaid with a photo editing interface. The interface includes a blue crop tool, a "Mirror" button, a "Dim" button, and four circular icons for copyright, hash, registered trademark, and a plus sign. Below these are "Upload" and "Clear" buttons. The browser's address bar shows the file path "C:/Users/Venkaram/Desktop/HTML/internship/internship.html". The taskbar at the bottom features the Windows logo, a search bar with a bowl icon, and pinned icons for Google Chrome, Microsoft Edge, Microsoft Word, Microsoft Excel, Microsoft Powerpoint, Microsoft Word, Microsoft Teams, Microsoft Edge, Microsoft Edge, Microsoft Edge, Microsoft Edge, and Microsoft Edge. The system tray shows the date and time as "11:56 PM 09-01-2023" and a notification badge with the number "4".
